

## Q & A

### Q: *What is Pass It Along?*

A: We are a nonprofit, teen driven organization. We work hand in hand with teens to better our community through participation in service projects and development of leadership skills.

### Q: *Is Pass It Along a private club or can anyone join at any time?*

A: Anyone is welcome to join at any time. Our door is always open! We have teens who volunteer on a regular basis and we have teens that stop in every now and then.

### Q: *How do I get involved?*

A: You can call our office (973-726-9777) or go on our website [www.passitalong.org](http://www.passitalong.org) and go to our volunteer page.

### Q: *Can I just come to an event?*

A: Again, call our office first to see whether that particular program is still open. We have both ongoing programs as well as annual or special events. Once we know you're interested, we'll keep you on a list for that particular event and contact you in the future. You can attend as many service projects and events as you'd like. Find your passion!!

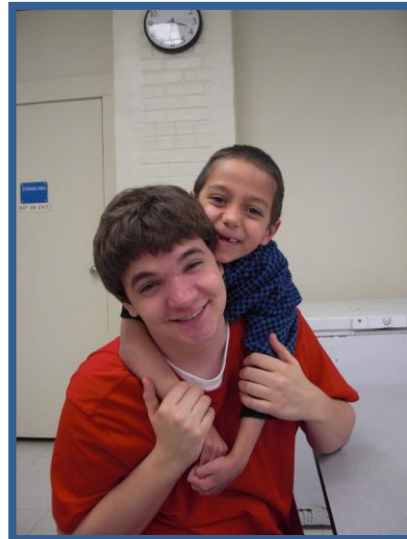

### Q: *How does Pass It Along advertise their events?*

A: Once you're on our mailing list, we'll send you updated electronic newsletters. Check our website from time to time for new Upcoming Events. You can also join our Facebook Page!

### Q: *So, Pass It Along is all about serving the community?*

A: Yes, but we also run various self-exploration programs, leadership trainings and get togethers! You can meet teens from all over Sussex County!

## Who we are

Youth Conference 2009

### Youth Driven

We believe that we can sow and nurture the seed of volunteerism in YOU. Some of you will want to work on your own programs, some will want to participate at existing hands-on programs. We help you achieve your volunteering goals through leadership development classes and offering a wide variety of ongoing volunteer programs. Whatever your level of commitment is, YOU are capable of making your communities a better place!

### Calendar Programs

We offer many exciting and rewarding volunteer opportunities and we are always looking for new volunteers to join the ranks.

Volunteering with us is flexible – sign up to volunteer at a time and location that is convenient to you. Volunteer just once, or return again and again to support your community and stay involved. Browse our calendar for a variety of programs and annual events that you are interested in. Continue to visit our website for new activities.

### Youth Development & Leadership

For those of you who want to explore and develop your leadership skills, we have the programs for you! The following is a list of the different programs we offer.

#### *Service Corps*

Service Corps is a year-long commitment for juniors and seniors. The students involved in this program are interested in a higher level and commitment to service. This program begins with an interview process in the spring and then the students begin their service in the fall. This program only requires a love of service and time to serve!

#### *Youth Board*

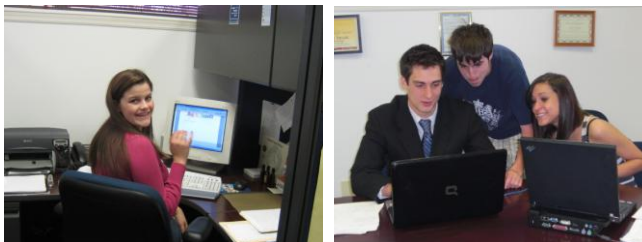

A program for students with an interest in public relations, administration and working with others to promote social change. This board of juniors and seniors could be a home for you!

#### *Hot Topics*

A bi-weekly program that explores topics of interest to teens. Topics vary but the underlying themes are always self-exploration and growth through activities, speakers and group discussions.

#### *Discovering Your Passions*

This program helps foster self-exploration and growth through meditation, discussion, video presentations and more. Find out what makes you the unique and important person that you are. Be aware all teens that

Develop your own programs!

have become involved in this course have not wanted it to end!

#### *Goal Achiever*

Goal setting and the steps necessary to implement and make your desires come to life are learned here. This program uses fun worksheets, vision boards and other materials to help students reach their goals.

#### *Public Speaking*

A comfortable atmosphere where students can learn techniques of effective speaking as well as practice interesting speeches are the hallmarks of this program.

### Youth Conference

This annual event held in the fall is a kickoff to a year filled with many volunteer community service opportunities. Students from every high school in the Sussex County area are invited to attend this day long conference.

Get to know teens from other high schools and participate in hands-on service projects, team-building exercises and learn more about community service projects going on throughout the area.

This conference is a great way to get involved and develop the skills needed to lead other teen volunteers into action.
